

Cluster Statement of Dominican Life and Mission

We are called by God
in the spirit and tradition of the Dominican Order
to preach the liberating truth of the Gospel
and to continue the mission of Jesus,
preaching, teaching, and healing.

Essential to our response to God's call
is alertness to God's continuing revelation
through
study and the search for truth,
contemplative and liturgical prayer,
the vowed and common life,
and a deep conviction of our unity in the Holy Spirit.

The common life and the mission are sustained
by the presence of the Spirit,
by companionship and mutual love.

The mission is directed to all the People of God,
especially to those who are marginalized and oppressed.
