Preaching

Sharing bread and wine

Leader: Our gracious God who has called us on this journey has not abandoned us, and will not abandon us. We have been nourished by our God and each other these days. Wherever our journey may lead us, we know that we are sustained with the word of truth, the bread of courage and the wine of hope. We invite you now to receive from each other this food and drink from our knapsack as we continue to walk the Way.

Song: *A Journey in Faith*
