

Congregational Histories Subcommittee Report September 2004

Subcommittee Tasks:

- To gather information on the history of each Cluster congregation
- To create a media presentation on the history of participating congregations
- To plan alternative ways to continue the communication of our histories

Background:

- Researched Cluster congregations' foundation stories and histories
- Wrote scripts of histories and selected pictures for a media presentation
- Worked on revisions of video presentation of history
- Selected a person to produce the video, "A Journey in Faith"

Present Status:

Completed the video for the Cluster Inter-Congregational Gatherings

Future Plans:

- Work on task of planning alternative ways to continue the communication of our histories through various media and at various Cluster gatherings
- Respond to suggestions coming from participants at Inter-Congregational Gatherings

Question for Members:

What more would you like to know about the history of Cluster congregations?
